Dear Association Contact,

Subject: Spring Update

Please find attached 2 copies of our current directory for your association/subdivision. It would be helpful if you would bring them up-to-date, keep a copy for yourself, and return the other one to Jim Chapman (or any member of the executive) by or at the next General meeting (Sat. June 19). It's not a problem if you need more time in order to contact all of your members - just do your best. I'll be glad to pick up your copy later if necessary. Encourage as many "home" telephone numbers as possible. This past winter there were several break-ins, thefts and acts of vandalism in our area. The Police commented that access to a list of owners, addresses and phone numbers would be extremely helpful. We plan to provide the OPP and the fire departments, with a copy of your input to the directory so the more complete the better. Following a model, which was successful for the Stanley Shoreline Association, we hope to have a Lakeshore Directory, produced later this year. We have checked and we are confident that the content will not infringe on "privacy" rights. A reminder on BSRA Membership: This year's fees are due by the end of June. The fee is \$10 for each association plus \$1.00 for each property owner. Please pass this letter to your Treasurer or other responsible. If you don't have the fee notice distributed last year please contact Harlie Johnston at 238-2843 or myself. The fees support correspondence, newsletters, website and day-to-day expenses.

Thanks for your assistance

Sincerely,

Jim Chapman
