

Priorities & Activities for 2011-12

1. Attend all Bluewater Council meetings.
2. Meet and communicate regularly with the Hay West and Stanley West Councilors.
3. Monitor and respond to issues of interest and concern to shoreline residents, including, as examples: industrialized wind factory farms, sewage treatment plans, taxation levels and the shoreline contribution to Bluewater's tax revenues, and environmental issues
4. Participate in environmental workshops/seminars dealing with lake and watershed issues.

Priorities & Activities for 2011-12

5. Participate in environmental workshops & seminars dealing with lake and watershed issues.
6. Continue to track the impact of assessment changes on the property taxes paid by shoreline residents
7. Communicate with shoreline residents using the BSRA Newsletter, the BSRA e-Bulletin and email communication with Association Contact People.
8. Continue to develop the information on the BSRA website
